**PLAINTIFF'S STATUS UPDATE**

Pursuant to the Court's Order, Plaintiff files this status update. The Court ordered the parties to file a dismissal or a status update by February 28. The parties are working diligently to finalize the settlement. Both parties have agreed on the terms of the release agreement and it is Plaintiff's understanding that defense counsel is in possession of the settlement check. However, Plaintiff must resolve outstanding issues with her open Chapter 13 bankruptcy before signing the release and receiving any funds. Plaintiff included her civil claim herein as an asset in her bankruptcy schedule of assets. Plaintiff's position is that a debtor-in-possession Chapter 13 bankruptcy such as hers should not involve or need trustee or bankruptcy court approval to finalize settlement. Nonetheless, and in an abundance of caution, Plaintiff is seeking to comply with any reasonable requests by the bankruptcy court and trustee. Plaintiff hopes to have this process completed by the end of March. Plaintiff will file another status update on or before March 31, 2020 if a dismissal has not yet been filed by that time.

Respectfully submitted, this 26<sup>th</sup> day of February, 2020.
